The decision to marry is one of the most important decisions in a person's life. Marriage is intended to be a life-long commitment.

The wedding in the church is a statement of promise between the couple before God. It is a worship service during which God's Word is heard, prayers are offered, and God's Blessing asked. As a worship service, a pastor of Calvary Lutheran Church will officiate.

Requests for Pastoral Acts by clergy other than a pastor of Calvary Lutheran Church must be made known beforehand and approved by the Lead Pastor.
