As we prepare for the season of Lent and Easter, we want to create a worship space that reflects the beauty of this celebration while also being mindful of everyone’s health. Due to an increase in allergies among our members, we’re transitioning high-quality artificial Easter lilies & spring flowers for our sanctuary decorations.

Please consider making donations to help cover the cost of these new flowers. Your generosity will ensure that our church continues to look beautiful and welcoming for all, without causing discomfort to those with sensitivities.

If you feel led to contribute, please drop contributions off at the office, use online giving, or designate in your offering. Thank you for helping us create a safe and joyful worship environment!

Please Check out the Core Fair!
