10:30 a.m. Healing Service 3-30-25

Gathering Music: *Sandra Lichter*

## Service of the Word for Healing

*The Service of the Word for Healing gives emphasis to the Word. Jesus, whom we name as Word, is our one true healer. The gospels tell how Jesus' word as well as his touch brought God's healing to people. In this service, we entrust ourselves into God's care, knowing that healing often comes in forms other than what we hope for or expect. Illness of body, mind, or spirit may not be cured, but may be healed as a person receives God's gifts of peace, forgiveness, and acceptance. We are bold to pray for God's good and gracious will to be done.*
