Please Help Us With a Hearing Device Issue:

For the past several weeks, an intermittent sound from a hearing device has been audible throughout the sanctuary during worship. The person wearing the device may not be able to hear the sound themselves.

If you wear a hearing aid or use a hearing device, please consider having it checked or adjusted by your hearing-care provider, particularly if others have mentioned hearing a sound during worship.

We appreciate your help in addressing this ongoing issue and in being considerate of everyone gathered for worship.

Friends in Christ,

This is sent from our friends at St Peter's, ...

They visited Calvary a couple weeks ago seeking volunteers.

If you are interested in more information on joining the Society of St. Vincent de Paul, there is a gathering on Tuesday October 13th @ St. Peter the Apostle Catholic Church @ 6:30 pm.

Thank you,
Pastor Steve
